

# Ride the Rogue

Bring your sense of adventure and experience the unique beauty of the Rogue River valley. Bike along the river, enjoying spectacular views, picturesque vineyards, farms and rural beauty.

Rides include incredible rest stops and expert mechanic support. At the end of your ride, entertainment and the option of a gourmet feast. This is a cycling experience you don't want to miss!

## The Cause

Ride the Rogue event is our ONE & ONLY annual fundraiser to continue building the Rogue River Recreational Corridor and Greenway best described as an emerald necklace of parks and public access areas along the Rogue River all linked by a bicycle pedestrian trail. Once completed, this 30 mile trail will link to the 20 mile Bear Creek Greenway providing 50+ miles of greenway. This regional connection will link two counties and provide a gateway to the Rogue River Recreational Corridor and access to the many world class recreational opportunities here in Southern Oregon. Visit [www.rogueivergreenway.org](http://www.rogueivergreenway.org) to find out more about this regional project.

Event details may change after printing – please check our web site for up to date information.
